Bottle-Free
Shampoo & Conditioner Bar
COLLECTION

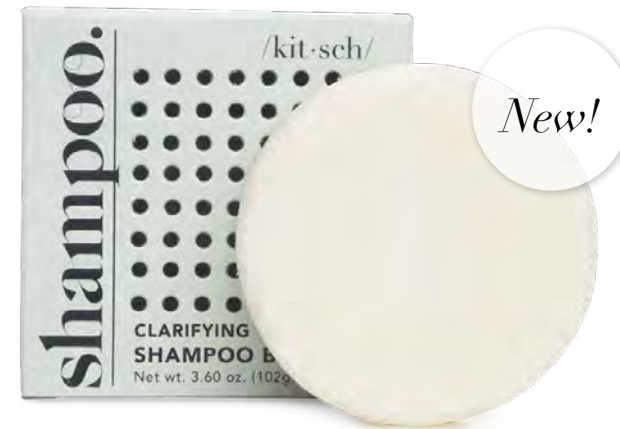

Time to upgrade your
shower.

NO: Sulfates, parabens,
phthalates, artificial fragrance,
animal testing, saponified oils.

How To Use

Our **Bottle-Free Shampoo & Conditioner Bars** provide a salon-quality experience from root to tip. With pure essential oils and bio-based ingredients that perfectly balance the PH in your hair, we can assure you—**this is NOT soap**. Due to the fact that these bars are highly concentrated, product takes a moment (and a little water) to form a lather. Once activated, product will transfer easily to hair, providing cleanliness & enrichment.

Bottle-free Beauty Bar Bags

Our **Bottle-Free Beauty Bar Bag** helps create a thick, foamy lather while shampooing and conditioning. Made from recycled polyethylene terephthalate, or rPET, our Beauty Bar Bags are another eco-friendly addition to your shower ritual.

This accessory hangs neatly, allowing 360° airflow to dry your bars quickly, help them last longer, and save your shower from soap goop. With "Shampoo" & "Conditioner" tag identifiers on each bag, you never have to worry about mixing up your products.

PONYFULL® STEP-BY-STEP GUIDE

STEP 1
Gather your hair into a ponytail & wrap KITSCH NO SNAG ELASTIC around two to three times depending on hair thickness.

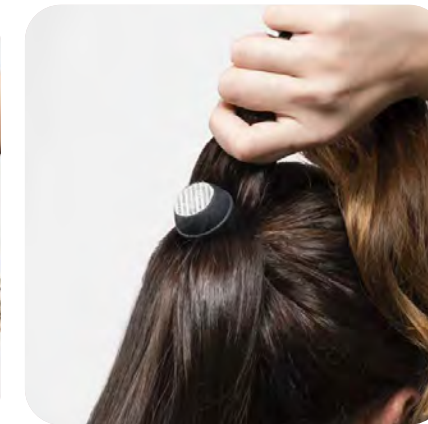

STEP 2
Split your ponytail in half horizontally. With your non-dominant hand hold the top half up above your head.

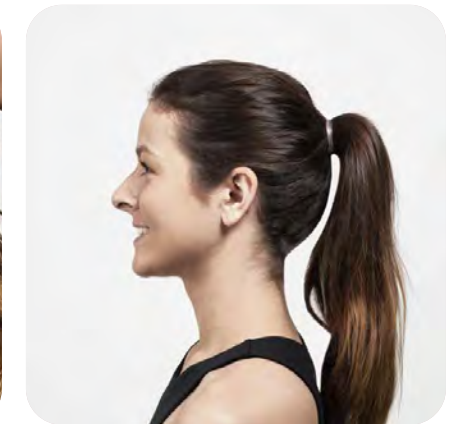

STEP 3
With your dominant hand hold PONYFULL® with pick facing downward & the self gripping material side facing your palm.

STEP 4
Gently hook the pick into the center of the pony pushing downward making a C shape. Elastic should naturally settle around the narrowest groove of PONYFULL®. It will instantly expand the elastic & make your ponytail feel tighter.

STEP 5
Release the top half of ponytail down & adjust hair to cover the self gripping material. This will secure the PONYFULL® & keep it from being seen.

STEP 6
Adjust PONYFULL® to sit comfortably as needed & enjoy the results as PONYFULL® instantly thickens & lifts your Ponytail!
