The Vintage Pearl first began in 2007 as a creative outlet for Erin, a stay at home mom with her 4 young children. What started at a kitchen table has now grown into a flourishing business and is now carried in hundreds of locations.

The Vintage Pearl handcrafted jewelry makes the perfect unique and meaningful gift.

We use heartfelt handcrafted design inspirations that will tug at any woman's heartstrings. Each necklace or gift is created and shipped from our Tulsa, Oklahoma studio.

Our wholesale charms are made with various materials (including fine pewter, white bronze, yellow bronze, and sterling silver). They are antiqued to a soft vintage finish and freshwater pearls are added to most of our creations. Our pieces are only made with quality materials and will last many years!
